IT Security Policy (Sample)

Passwords must be at least 14 characters long and must be changed every 180 days. Multi-factor authentication is mandatory for email, VPN and the HR portal. Password managers approved by IT are Bitwarden and 1Password.

Incident Reporting

Suspected phishing emails must be forwarded to security@example.com within one hour. Do not click links or open attachments in suspicious messages. Security incidents are triaged by the on-call security engineer, who responds within 30 minutes.
